### d'Azanté Stallion Service Contract

This contract made between Grandview Equestrian Farm Inc. ("GEF"), and \_\_\_\_\_ (Purchaser/Mare Owner) for breeding of the Mare named \_\_\_\_\_, Registration Number \_\_\_\_\_ to d'Azanté for the Breeding Season \_\_\_\_\_ ("Present Breeding Season") is subject to the following terms and conditions:

1. Purchaser would like to use:      Fresh Chilled Semen              Frozen Semen
2. The Mare to be bred is: Breed: \_\_\_\_\_ Colour: \_\_\_\_\_  
Year Foaled: \_\_\_\_\_ Sire: \_\_\_\_\_ Dam: \_\_\_\_\_

The purchaser is not permitted to substitute another mare for breeding with d'Azanté without prior approval and permission from GEF. If this mare is sold, this contract is non-transferrable. Fees paid in this contract are for the insemination of the aforementioned mare, and for one foal only.

3. **Fees:** The Purchaser agrees to pay GEF the following fees:

A stallion service fee of **\$1750** (2007 stud fee).

A non-refundable booking fee of **\$150**, which is due at the signing of this contract. This fee is deductible from the Stallion Service Fee.

For *fresh chilled semen*, purchaser must pay a non-refundable collection fee of **\$250**, which includes the collection, handling and container fees and must be paid prior to semen being shipped. Once viable semen is in transport, the entire studfee becomes non-refundable.

For *frozen semen*, a handling and vapour shipper container rental fee of **\$140** applies, and must be paid by the purchaser prior to semen being shipped.

Purchaser is responsible for courier charges required for semen shipment; a deposit of **\$150** is required to pay for courier charges, with any unused balance refunded by GEF to the purchaser after the last semen shipment. GEF is not responsible for any lost, stolen, damaged or delayed semen.

Canadian Residents must add **6% GST** on all charges.

Containers must be returned clean and undamaged. Purchaser will be responsible for costs associated with replacing any damaged containers or parts thereof. Containers must be couriered back within 5 days of shipment.

4. **Live Foal Guarantee:** All veterinarian work related to this breeding contract must be performed by a licensed veterinarian that is acceptable to the farm. Purchaser will ensure that the mare named in this contract is healthy and in sound breeding condition, and free from infection or disease by a veterinarian. It is understood that "Live Foal Guarantee" means that the foal stands and nurses within 24 hours of birth. If the mare proves to be barren, aborts her foal, gives birth to a still born foal or the foal dies within 24 hours of birth then a rebreeding will be granted the following year only providing that proper notification is given to GEF within 5 days of the incident by the attending veterinarian. The subsequent rebreeding is subject to collection, handling and courier fees. A maximum of two straws of frozen semen will be allowed for a rebreeding in the following season using frozen semen. If more frozen semen is required for the following year rebreeding then the purchaser will be assessed half a stud service fee. Shipping, handling and container fees apply.

Mare owners are responsible for notifying GEF of the pregnancy status of their mare within 18 days of breeding. All inseminations must be performed by a licensed veterinarian with proven successful experience in equine reproduction.

5. **Fresh Chilled Semen:** d'Azanté will be competing across Canada and the United States throughout the breeding season and will not be available for collection during these times. Competition dates are not made final until early March. 2007 may include May 31- June 3, June 15 -17, June 20 – 24, June 26 – 30, July 6 – 7, July 12 – 15, August 2 – 5, August 7 – 11. Further dates may become unavailable as more scheduling is released closer to the start of the show season. It is the purchaser responsibility to check with GEF about such further specific dates that d'Azanté will not be available for collection. Under no circumstances may extra fresh chilled semen be used on any other mare other than the one named on this contract.

6. **Frozen Semen:** GEF will send 2 straws per shipment, with a maximum of 4 straws for the breeding season. If a rebreeding is granted the following season then only two straws will be sent. Handling, shipper rental and courier charges apply. GEF requests that the Mare owner retain a veterinarian who is experienced with frozen semen. Under no circumstances may extra semen be used to inseminate another mare other than the one named on this contract.

7. **Semen Shipment Requisition:** Mare owners must give a minimum of 3 full days notice for fresh chilled semen requisition; the requisition must be received by 5pm on the first day of notice. Frozen semen requisitions must be initialized 10 days prior to breeding date, and must be finalized 2 days prior to breeding. Requisitions must be made via fax to Robert Fera at Deerpath Breeding & Development, 519.826.0747; Purchaser should contact Robert Fera via phone regarding further semen requisition questions, 519. 826.0170. Robert Fera, Deerpath Breeding and Development and Grandview Equestrian Farm along with their employees and directors will not be held responsible for missed breeding resulting from failure to give adequate time for collection or transportation of semen. The breeding season for this contract ends August 31, 2007.

8. **Refunds:** In the event that d'Azanté becomes lost, stolen, dies, or becomes unfit for breeding or unavailable for breeding prior to any shipment of semen to the purchaser, then the purchaser is entitled to a full refund and this agreement becomes null and void.

This is a binding contract when both parties have signed and dated this contract.
